

**MILLS PROPERTIES WELCOMES EDWARDSVILLE ILLINOIS
COMMUNITY TO MANGEMENT PORTFOLIO**

ST. LOUIS, MO—June 15, 2009: St. Louis based [Mills Properties](#) recently expanded its management portfolio to include Cherry Hills in Edwardsville Illinois and Oxford Apartments in Maplewood Missouri!

Cherry Hills has 350 total units in Illinois, spread over five sites, four in Edwardsville and one in Alton. The properties feature very spacious townhomes, garages, two pools, and expansive greenscaping.

Oxford Apartments consists of 94 apartment homes with one and two bedroom styles. The property location is conveniently sandwiched in the Maplewood/Webster Groves area right down the street from Dogtown.

“We would like to welcome the teams at Cherry Hills and Oxford Apartments to the Mills Properties family”, said Jan Wiesler, Senior Vice President of Operations for Mills Properties. “We look forward to further developing our management portfolio to continually provide exceptional communities and service for our customers.”

Since 1979, Mills Properties, Inc. has been creating a unique living experience for apartment residents all over the St. Louis Metro Area! Mills Properties has become the areas recognized leader in the management and development of apartment communities. The company has been awarded Management Company of the Year numerous times. The St. Louis Apartment Association, Institute for Real Estate Management, St. Louis Home Builders Association, and municipalities have recognized both Mills Properties associates as well as their individual apartment communities for excellence. The Mills Properties portfolio now consists of over 30 apartment communities and over 7000 units.
